6. That funds be allocated as may be appropriated by budget action of the Board of Commissioners for the Public Improvements and Capital Fund for capital equipment and projects, and to include the amounts due for the payment of purchase agreements and bond payments as scheduled.

- 7 That funds be allocated as may be appropriated by budget action of the Board of Commissioners. The funds may be transferred by the County Treasurer and/or the County Administrator's Office in accordance with such budgets.

- 8 That the following regulations shall apply to these appropriations and Activity Centers (Departments). All Departments, budget administrators, and other agencies and organizations receiving County funds shall be deemed to have agreed to these restrictions and obligations by accepting funds pursuant to this Act or otherwise incurring expenditures in expectation of County funding.

- a. All terms in the Act shall have the meaning assigned to them in the Uniform Budget and Accounting Act. The term "Activity Center" includes all courts receiving funds through this Act.
- b. All Activity Centers (Departments) receiving funds herein shall abide by the Uniform Budget and Accounting Act, and that any modification, addition or deletion of such amounts hereby adopted shall be done in accordance with the policies and procedures established by the Board of Commissioners. Each administrative officer in charge of an Activity Center shall promptly provide the County Administrator with all information which the Administrator considers necessary and essential to the preparation of a County budget for the ensuing fiscal period.
- c. All purchases and travel shall be in accordance with the Chippewa County Purchasing, Contracts and Sales Policy (Policy No. 320) and Travel and Business Expenses Policy (Policy No. 410).
- d. The amounts appropriated herein shall be paid from the County Treasury at the time and in the manner provided by law and other applicable policies or resolutions of the Board, whether enacted to date or subsequently adopted.

- e. Expenditures and revenues shall be recorded and reported in the manner provided by law. Fees and other money received by Activity Centers (Departments) shall be forwarded promptly to the County Treasurer and credited to the appropriate County fund, except as otherwise provided by this Act or by any other act of the Board.
- f. Except as otherwise provided by law, each Activity Center (Department) shall limit expenditures within the appropriations authorized herein and shall not attempt to expend funds at a rate which will eventually result in a deficit in any Activity Center without the approval of the Board. Further, all expenditures of County funds and other funds under the control of any Activity Center, except as otherwise provided by law, shall be expended only for purposes attached to the line-items and within the various policies of the Board of Commissioners, including, but not limited to purchasing policy, applicable collective bargaining agreements and applicable personnel policies. The County of Chippewa shall only be responsible for the payment of purchases made as provided by law and/or policy.
- g. In the event that State of Michigan fails to provide certain revenue transfer payments as required by state law and/or contractual agreements between the State and Chippewa County, the specific programs funded by such state revenue transfer payment shall bear the full impact of such revenue reduction. In the event the State defaults or otherwise fails to provide general, unrestricted revenue transfer payments, the Board, upon the recommendation of the Finance, Claims and Accounts Committee, shall allocate said revenue reduction in its legislative judgment.

THE CHIPPEWA COUNTY BOARD OF COMMISSIONERS CANNOT, AND WILL NOT, ABSORB THE PROGRAM COSTS CREATED BY REVENUE TRANSFER PAYMENT DEFAULTS BY THE STATE OF MICHIGAN.

- h. If an Activity Center (Department) desires an additional appropriation, it shall forward a detailed request to the County Administrator's Office describing the proposed budgetary amendment or transfer and the reasons for the action. The matter will then be presented to the Board of Commissioners through its Finance, Claims and Accounts Committee. No funds may be transferred between Activity Centers (Departments) without prior Board approval.
- i. Except as otherwise provided by law, the number of positions noted for certain Activity Centers (Departments) in the approved Employee Roster included with the budget shall be the maximum staffing level authorized to be drawn from such line-item. No Activity Center shall maintain more employees on the payroll than the maximum specified for the appropriate account. In addition, the job position titles, pay classifications, and full-time equated designations for each position are deemed to be the correct classifications, and any modification of employment classifications shall be done in conformance with established Board policy. Further, if an Activity Center employs at any time, fewer employees than the maximum specified for the appropriate line item in this Act, unexpended appropriation in the amount identified with the unfilled position(s) by payroll records shall immediately and automatically revert to the General Fund Contingency Activity Center (Department No. 890).
- j. It is understood that revenues and expenditures may vary from those that are currently contemplated and may be changed from time to time by the Board of Commissioners during the 2018 fiscal year, as deemed necessary. Consequently, there may be a need to increase or decrease various portions of the budget and/or impose a hiring freeze and/or impose layoffs due to unforeseen financial changes; therefore, the Board of Commissioners reserves the right to change the approved Employee Roster and/or impose a hiring freeze at any time. The County Elected Officials and County Department Heads shall abide by whatever changes are made by the Board of Commissioners, if any, relative to the approved positions and the number of employees stated in the Employee Roster.

- k. Positions on the Employee Roster that are supported by a grant, cost sharing, reimbursement, or other source of outside funding, are only approved contingent upon the County receiving the budgeted revenues. Upon notification that budgeted funding of a position will not be received, the Elected Official or Department Head shall immediately notify the County Controller and Finance, Claims and Accounts Committee, and that position shall be immediately removed from the Employee Roster if funding is exhausted.
- l. The County Administrator's Office and/or County Treasurer shall be authorized to make year-end transfers of up to \$100,000 between Departments or Funds or with such amounts that may be available in the General Fund, as may be necessary to insure that departments do not end the 2023 fiscal year in a deficit condition.
- m. This Act shall become effective January 1, 2023, and may be amended by the Board at any time. Any appropriations made hereunder may be increased or decreased in the discretion of the Board.
- n. This Act and attachments as incorporated by reference herein and all amendments hereto shall constitute the 2023 General Appropriations Act for Chippewa County for all purposes under the law; and approved at the highest level possible.
