**Chippewa County**

**Resolution 22-4 Urging State Legislature to Amend the Michigan Auto Insurance Reform Act to Address a Reimbursement Cap for Auto Accident Victims**

**WHEREAS**, the Michigan No-Fault Insurance Reform Act of 2019 introduced a fee schedule/cap, which took final effect on July 1, 2021, that set percentage limits on how much residential care facilities, home health care providers, and other persons can be paid or reimbursed for providing treatment or care to auto accident victims; and

**WHEREAS**, the reimbursement rates under the Michigan Auto Insurance Fee Schedule now allows residential care facilities, home health care providers and other person who lawfully render treatment to received 200% of Medicare, for what Medicare reimburses, regarding of limitation, 55% of a providers Charge Description Master (CDM) as of January 1, 2019, and/or in the following two obligations are not met, 55% of a provider's average charges for which they received payment on January 1, 2019; and

**WHEREAS**, despite the statutory obligation described above, Michigan Auto Insurance companies are only paying providers 45% of what they were receiving in January 2019; and

**WHEREAS**, as a result, home health care providers are being reimbursed between \$14-\$18/hour which is below the cost of employee wages as other entry level positions in different industries (fast food) are paying workers between \$15-\$20/hour.

**WHEREAS**, the Michigan No-Fault Auto Insurance Reform Act applies retroactively including the fee schedule cap, which is fundamentally unfair to individual who purchased coverage and were injured in motor vehicle accidents before the No-Fault Act was amended in 2019 and now have limited access to care; and

**WHEREAS**, these fee caps affect the auto accident victims who are receiving long-term care and rehabilitation paid for by the Michigan Catastrophic Claims Association (MCCA) through the per-vehicle annual fee that all Michigan drivers were once assessed; and

**WHEREAS**, the MCCA's 2021 Annual Statement shows its assets are over \$27 billion and its total liabilities are slightly over \$22 billion; and

**WHEREAS**, some patients who are not able to find long-term catastrophic care services have been forced to leave their homes; and

**WHEREAS**, even though lifetime medical benefits are still guaranteed under the 2019 Michigan Auto-Insurance Reform Act, for those injured prior to 2019 and for those who purchase Unlimited Personal Injury Protection (PIP) policies, these benefits are meaningless if patients have very limited or no access to services since providers are unable to cover basic labor costs; and

**WHEREAS**, there are County residents, and their families, who are currently benefitting, or would in the future, from services pertaining to their care, recovery and rehabilitation from catastrophic injuries but are already directly affected if the current law is not changed; and

**WHEREAS**, without action more than 18,000 individuals with spinal cord injuries, brain injuries and other catastrophic injuries in Michigan will have to find another way to receive care and support (Medicaid) because of this major change to the State's No-Fault auto insurance law despite having purchased insurance policies to protect them and their families; and

**WHEREAS**, this is a humanitarian crisis born from a government-mandated price fix, that only the legislature can undo; and

**NOW THEREFORE BE IT RESOLVED**, that the Chippewa County Board of Commissioners hereby urges the Michigan Legislature to amend the Michigan No-Fault Auto Insurance Reform Act to address a sustainable reimbursement cap based on an existing Government payor (Medicaid, Veterans Affairs, etc.) for residential care facilities, and home health providers who provide necessary care to auto accident victims in order to uphold these benefits that have been paid for by the survivors who currently are receiving and who will receive long-term care when purchasing an Unlimited PIP Auto Insurance policy paid by the Michigan Catastrophic Claims Association.

**BE IT FURTHER RESOLVED**, the Chippewa County Administrator is requested to forward copies of the adopted resolution to the Governor of the State of Michigan, the Senate Majority and Minority leaders, the State House Speaker and Minority Leader, and the members of the Chippewa County delegation to the Michigan Legislature.

The payment per license is \$56,453.44 for a total of \$169,360.32 this year. Commissioner Shackleton proposed that the County add monies from the general fund to bring the total funds available to \$200,000.00 and to work with the schools for additional funding, to get the schools to match funding, to bring back the drug and health program by working with the other agencies; so that kids have options to speak with the officers and to develop and improve communication with them. ### COMMISSIONER REPORTS ON MEETINGS AS BOARD REPRESENTATIVES AND GENERAL COMMENTS

Among some of the comments were as follows:

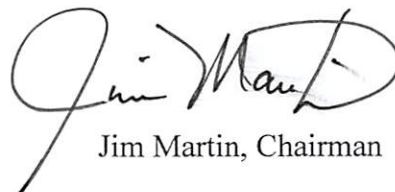

- **Commissioner Baron** announced his resignation to the Board of Chippewa County Commissioners, effective April 30. He communicated that everybody knew back on January 15 that our two governments on each side of the Border implemented vaccine mandates he was totally against; because that significantly hurt the Company he was working for. On February 18, 2022, he lost his job. He went on to say that he is currently employed with the possibility of a position opening up in May that would put him in a direct conflict of interest with this Board, and that is why he is resigning. He thanked everyone in the room for coming and indicated it is good to see many faces at these meetings. He also thanked all his constituents in District 3 and the people of Chippewa County. He stated “It’s been my pleasure to work with everyone in this County and here with the Board.”
- **Commissioner Shackleton** thanked Commissioner Baron for his service to the Board and the People of Chippewa County with a special thank you for being involved in the Union Negotiations. Commissioner Shackleton also noted how nice it was to have so much participation from the public and thanked them for coming.
- **Chairman Martin** thanked Commissioner Baron for his very dedicated job, with so much participation, and that he was grateful for that. He further noted, that Commissioner Baron went above and beyond to keep his constituents informed. He stated, “It is going to be hard to find a replacement as good, and hopefully, we’ll get him back someday.”

Having completed the agenda items, it was moved by Commissioner Savoie, seconded by Commissioner Baron to adjourn. On a voice vote, the Board adjourned at 5:52 p.m.

Respectfully submitted,

Catherine C. Maleport, Clerk
